## BRAVO ZULU HOUSE

**EXCLUSIVELY FOCUSED ON THE UNIQUE SOBER HOUSING NEEDS OF OUR VETERANS**

Bravo Zulu House is declaring war on Veteran PTSD. Veteran sobriety is the #1 barrier to successfully treating PTSD. The VA confirms that most PTSD sufferers abuse drugs and alcohol, so we created Bravo Zulu House here in Martin County, Minnesota. Bravo Zulu House is the first all-military sober home exclusively focused on the unique sober housing needs of our veterans.
